

## FRONT END DEVELOPER

---

GSL Group includes a wide range of businesses including Real Estate Development, Holdings and Construction (Commercial, Industrial, Residential and Sports & Entertainment Facilities), E-Commerce, Sports and Entertainment, Travel & Hospitality, Food & Beverage, and Agriculture. With a wide range of portfolio, we are looking at different ways to disrupt and add value to traditional industries. Whether we are creating new products or expanding on our existing product, people at GSL are always up for a challenge.

Our Vancouver office is seeking a Front End Developer to join our team. We are looking for candidates who can thrive in a fast-paced and autonomous work environment. This person will also focus on expanding our new products in the entertainment industry with the Tech team.

### RESPONSIBILITIES

This multi-faceted role will have a number of accountabilities, including but not exclusive to those listed below:

- Implements features, solutions, and user interfaces
- Works alongside Product Managers, Developers, and Designers to create an optimal user experience
- Works effectively in an entrepreneurial/startup environment that is fast paced
- Demonstrates strong accountability for code quality to ensure seamless deployment of new features and products to our loyal users
- Architect efficient and reusable front-end systems

### REQUIREMENTS:

- 5+ years of work experience and B.Sc in Computer Science or related field
- Proficiency in HTML, CSS, JavaScript
- Familiarity with React and Webpack
- Experience with browser APIs and optimizing front end performance
- Experience with Angular and ReactNative is a plus
- Team player, with strong collaboration skills
- Experience writing clean code that performs well at scale
- Knowledge of UI technical best practices
- Experience with mentoring
- Experience in Agile methodology
- Experience with automated tests (unit tests and end-to-end tests)

**COMPETENCIES:**

- Possesses strong interpersonal and communication skills
- Lifelong learner motivated to continue to learn and develop
- Highly innovative and enjoys exploring new solutions and technologies
- Critical thinking and problem-solving skills

**Compensation:** Will be commensurate with experience.

**Job Location:** Vancouver

*GSL is proud to be an equal opportunity employer. We value diversity and are dedicated to providing a work environment that is free from harassment and discrimination. All employment decisions are made based on qualifications, job requirements and business needs. GSL is passionate about being known for an inclusive culture where talented people of all backgrounds want to work.*
